### **DEADLINE FOR RECEPTION**

**January 22<sup>nd</sup>, 2016 at 06:00 PM (Pyongyang time)**

# I. SPECIFICATION PROCEDURE

---

Tenderers are kindly asked to respect the terms and forms described here. Offers that do not respect those terms and form will be rejected.

## 1. LANGUAGE

The offers must be written in English including annexes and other supporting documentation.

## 2. CURRENCY

All prices must be expressed and converted into Euros, including all potential subsequent taxes (e.g. VAT). The offer should clearly specify whether the prices refer to a unit or a pack for each specific item.

## 3. QUALITY STANDARD

All proposed items must respect **European Community and WHO Standards**. Suppliers offering items with ISO certificate, CE conformity certificate or equivalent will be given priority. Suppliers with Good Storage Practice (GSP) and/or Good Distribution Practice (GDP) certificate will be given priority.

## 4. OFFER FORM

The tender will be presented in the following manner:

- An exterior envelope with the address of EUPS-Unit 1 and the reference of the call for bids. This envelope must contain 2 envelopes (numbered 1 and 2 by the tenderer):
  - Envelope numbered 1 must contain the following administrative information :
    - Tenderer references (address, type of company, main activities...);
    - Previous contracts and operations, national and international partners;
    - Indication of previous delivery in DPR Korea;
    - Bank information (name, address...), title and number of the bank account of the tenderer;
    - The present document signed and stamped by the tenderer on each page of this document.
  - Envelope numbered 2 must contain:
    - Annex 1 (technical specifications): filled, signed and stamped by the Supplier. Pictures, additional specifications and certificated as requested in Annex 1
    - Annex 2 (bill of quantities) filled, signed and stamped by the Supplier
- **Each equipment item's line** must be described clearly in terms of :
  - Name
  - Name of manufacturer
  - Country of production
  - Quantity
  - Unit price
  - Total price
  - Picture
  - Guarantee

- Technical Specifications
- Certificate if any (ISO certificate, CE conformity certificate or equivalent)
- Possibility to provide a sample
- Remarks

**If not enough data are provided, the offer will not be considered.**

- **Transport cost** must be **included** in the total price.
- The order of the equipment list cannot be changed. In case an item cannot be provided by the supplier, put “Not Available” under the column “remarks”.
- If the unit and/or packaging are/is not the same as stated in the equipment list, the supplier is allowed to add lines specifying his offer. In that case, he will have to highlight concerned items.
- If the supplier offers more than one option for a specific item, the supplier is allowed to add lines specifying packaging, quality, and price for each product. In that case, he will have to highlight concerned items.
- If the tenderer changes the price or any condition before or after being chosen, he shall be put on the **FSO and EUPS Units’ black-list for unreliable suppliers**.

## **5. SELECTION CRITERIA:**

The offers will be considered and appreciated according to the following criteria:

- Compliance with the bidding process and administrative requirements;
- **Compliance with the technical specification** regarding samples, pictures and technical specifications given by the Tenderer
- **Quality of the equipment** including manufacturer and country of origin. Suppliers offering devices with ISO certificate, CE conformity certificate or equivalent will be given priority. Suppliers with Good Storage Practice (GSP) and/or Good Distribution Practice (GDP) certificate will be given priority. Relevant documentation can be requested;
- **Price;**
- Delivery time and warranty;
- Quality and costs of transportation;
- Proven experience providing medical equipment to international organizations.
- Suppliers with proven experience delivering medical equipment to DPRK will be given priority.

**Suppliers are aware of the regulations related to the supply of medical equipment into DPRK and certify they have all the necessary authorizations to proceed.** Relevant documentation can be requested at any time by EUPS Unit 1.

**EUPS - UNIT 1 reserves itself the right to modify the quantity for any item after selection of the winning tender.**

## II. TENDER CONDITIONS

---

**EUPS unit 1** is a European Structure dedicated to the implementation of development projects. The project of the EUPS Unit 1 referred to is funded by **SIDA**.

---

**The suppliers are obliged to respect all conditions mentioned and will make the offer lot by lot. These conditions constitute an integral part of the contract signed by selected suppliers. EUPS Unit 1 reserves the right to award the tender to more than one supplier, which allows for a repartitioning of the tender.**

### 1. RESPONSE:

Deadline for reception of offers is **Friday, January 22<sup>nd</sup>, 2016 at 06:00 PM (Pyongyang time)**.

The offers can be received in a sealed envelope from Monday to Friday, from 9 AM to 6 PM at EUPS Unit 1 office in Pyongyang, DPRK, or via email. All the tenders received will be opened on Monday, January 25<sup>th</sup>, 2016 at 2:00 PM (local time). The suppliers will be informed of the outcome of the selection once the process is completed. **EUPS Unit 1 reserves the right to inspect the goods at any stage of the bidding process in order to ensure the quality of the medical equipment.**

### 2. DELIVERY:

The supplier is obliged to deliver the goods ordered by EUPS – UNIT 1 to the following locations:

- 1) Ryongyo farm, Jaeryong County, South Hwanghae Province, DPRK
- 2) Chonma farm, Jaeryong County, South Hwanghae Province, DPRK
- 3) Kumhak farm, Chongdan County, South Hwanghae Province, DPRK
- 4) Yangji livestock farming, Haeju city, South Hwanghae Province, DPRK
- 5) EUPS – Unit 1 office, Munsudong, Diplomatic Compound, Flat 4-15, Pyongyang DPRK

The repartition of the deliveries across these locations will be defined by EUPS-unit 1.

The supplier ensures that the quality of the goods will be maintained throughout the stages of purchase, storage, and delivery by:

- Ensuring appropriate storage conditions;
- Ensuring appropriate transportation;
- Ensuring proper packaging in accordance with international standards and adapted to the transport requirements of goods. The packaging should protect materials from shocks and from any liquids, humidity and extreme heat or temperature differences which may occur during truck loading, transportation, storage and unloading.

The supplier is the sole responsible for administrative and customs proceedings concerning the delivery of goods. All costs of the above mentioned procedures are at the expense of supplier.

The supplier will submit the transport document (packing list, way bill) necessary for the reception of the goods.

**The delay of delivery must be clearly stated in the offer.** It will be part of the selection criteria and cannot be changed once the offer has been received.

The supplier assumes his obligations towards the competent authorities, which mean fiscal obligations, taxes and insurance, and releases by this EUPS – UNIT 1 of these responsibilities.

### **3. WARRANTY:**

The supplier provides EUPS - UNIT1 a guaranty period for delivered products. This period will be clearly mentioned in the offer.

If the supplier fails to deliver the goods to the destination, EUPS-Unit 1 will charge the supplier with any resulting additional expenses.

### **4. PRICES:**

**All prices offered must be guaranteed for at least 3 months, including the price of products, transportation costs, insurance, and authorizations required by the Government of DPRK for transportation of medical products.**

**It is clearly stated that EUPS – Unit 1 is not obliged to select the cheapest tender.**

### **5. PAYMENT:**

The payments will be done by bank transfer to the bank account given by supplier within **60 days after delivery and once all items have been received, checked and validated by EUPS Unit 1. The beneficiary bank must be located out of DPRK.** No other means of payment will be considered.

### **6. SPECIAL CONDITIONS:**

The contract can be cancelled by EUPS Unit 1 at any time for any of the following reasons:

- Suspension or cessation of The Purchaser' activities in DPRK
- Donors cancelling or suspending their financial support to The Purchaser Mission in DPRK
- In general, all elements affecting the continued implementation of The Purchaser operations, beyond The Purchaser reasonable control.
- Force Majeure, meaning any act of nature, war (whether declared or not), invasion, or other acts of a similar nature of force which could cause The Purchaser to cease/suspend its operation in DPRK.

The Purchaser will notify immediately the Supplier of the cancellation by letter.

### **7. INSURANCE:**

The selected supplier must take out all the needed insurance and pay for all the legal taxes to guarantee a social and civil protection to all the staff involved in the completion of the contract, and then mitigate all the bad effects of decease, injury, work accident and damage that may occur.

### **III. GENERALS CONDITIONS OF ELIGIBILITY AND EXCLUSION**

#### **1. ORIGIN**

The supplies tendered must originate from a Member State of the European Union, beneficiary country or eligible country to EU regulation. A certificate of origin, for all the lots, will be asked at the winning bidder. The bidders must respect DPRK restrictions concerning importation of specific goods.

#### **2. FRAUD, CORRUPTION, COLLUSIVE AND COERCIVE PRACTICES:**

EUPS Unit 1 may reject any proposal or offer, or terminate the contract if it is convinced that the tenderer has been engaged in one, or several, practices listed below:

- Corrupt practice (defined as offering, providing, receiving, or soliciting, directly or indirectly, anything of value to improperly influence the decision-making of the Contracting Authority);
- Fraudulent practice (any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, the Contracting Authority to obtain a financial or other benefit or to avoid an obligation);
- Collusive practice (an undisclosed arrangement between two or more tenderers, or candidates designed to artificially alter the results of the tender procedure to obtain a financial or other benefit);
- Coercive practice (impairing or harming, or threatening to impair or harm, directly or indirectly, any participant in the tender process to improperly influence its activities).

#### **3. TRANSPARENCY**

As a humanitarian organization, the Purchaser requires that the Supplier observes basic transparency standards in its procurement procedure related to this present tender. The Supplier selected will give the full right of access to premises and documents, including procurement documents, decisions and supporting evidence to the Purchaser's donor, or any other mandated body.

#### **4. NON EXPLOITATION OF CHILDREN:**

Première Urgence – Aide Médicale Internationale, as expressed in its charter and internal regulations, fully agrees with the convention on children rights and would like to draw the attention of its potential suppliers by stipulating that a child must be protected from all work that could complicate his school attendance, or have bad effects on his health, his blooming, as well as his social development.

It is clearly stated to the selected supplier that children under 18 are not allowed to work for the implementation of the present contract. Access to any of the sites used for the implementation of this contract is strictly forbidden to the children under 18.

#### **4. INELIGIBILITY CRITERIA**

Candidates, tenderers, or applicants will be excluded from participation in procurement procedures if:

- they are bankrupt or being wound up, are having their affairs administered by the courts, have entered into an arrangement with creditors, have suspended business activities, are the subject of proceedings concerning those matters, or are in any analogous situation arising from a similar procedure provided for in national legislation or regulations;
- they have been convicted of an offence concerning their professional conduct by a judgment which has the force of *res judicata*; (i.e. against which no appeal is possible);
- they have been guilty of grave professional misconduct proven by any means which the Contracting Authority can justify;
- they have not fulfilled obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which they are established or with those of the country of the Contracting Authority or those of the country where the contract is to be performed;
- they have been the subject of a judgment which has the force of *res judicata* for fraud, corruption, involvement in a criminal organisation or any other illegal activity detrimental to the donor countries' financial interests;
- they are currently subject to an administrative penalty.
- the Contracting Authority will accept, as satisfactory evidence that the candidate, tenderer, or applicant is not in one of the situations above described in.

#### **5. GROUNDS FOR EXCLUSION**

Contracts may not be awarded to candidates, applicants or tenderers who, during the procurement procedure:

- are subject to a conflict of interest;
- are guilty of misrepresentation in supplying the information required by the Contracting Authority as a condition of participation in the contract procedure or fail to supply this information.

## Lot B – Dental equipment and consumables

All the items of Lot A are:

- To be used to for dental treatment
- High quality and meet international standards

**The Tenderer must provide precise technical specifications of the equipment, including manufacturer and country of origin, certifications if any and pictures for each item. The Tenderer must state if he is able to provide samples for specific items if/when requested by EUPS Unit 1.**

**The Tenderer must specify if an item is not available or if he offers one or several alternative solutions (eg. different packing unit).**
